* Not Normally Stocked

** Variable cutting charge - please ask for quotation

Please note that although we have tried hard to ensure this list is accurate, it is possible there are errors. We apologise if this is so, but cannot accept any liability for them. Please ask us for a quotation. Prices above apply only to customers who adhere to our standard payment terms.

All orders subject to packing, carriage and VAT charges.

In addition to the volume discounts stated above, there are stepped discounts based on individual order size (not including packing, carriage or VAT) :-

Discounts

These are calculated automatically; if you forget, we don't!

For orders above £2,500.00 subtract 2.5%

For orders above £5,000.00 subtract 3.5%

Qualifications

- 1 - Discounts apply only to articles on this price list. Frames, whether assembled or processed and supplied as a kit, are quoted separately and are neither eligible for, nor count towards, the stepped discounts.
- 2 - Discounts only apply to orders taken at one time and delivered complete.
- 3 - We reserve the right to change prices and withdraw the discounts above without notice.
- 4 - Above prices and discounts only apply to customers who use Item profile.

Technical Help

Ours engineers are here to help and have decades of experience in using the Item system. If you have any questions about the best way to make use of any Item parts, need a quotation for an assembly, or would like to use our free design service, please get in touch.

If you would like to see the system in more detail, or have an upcoming project to discuss, we have a team of sales engineers who are ready to help. Just let us know.
