## Trilogiq Automated Guided Vehicle

Our customers recognize the AGV expertise we've been developing since 2008, and are confident in our project teams, who manage the complete integration of Graphit solutions with AGV's.

## Trilogiq: Manufacturer of **SHADOW BOARDS**

Shadow boards are ideal for storing tools and accessories to fulfil the requirements of 5S perfectly. All shadow boards are made-to-measure once parts or dimensions have been received.
